HARD WORK AND TIME FORGE A YEARBOOK

Our yearbook, the '62 THUNDERBOLT, can be described as our school's family album. We have tried to bring you all of the news and headlines of the school year.

The THUNDERBOLT staff hopes this book will live beyond its publication year and continually increase in value to the owner. Our goal is to provide the student, faculty, and community with the finest, worthiest book within our means.

This is truly a yearbook "of the students and BY the students."

COOKS L. to R. Florence Welch, Ada Vance, Lillian Abbe.

The cafeteria cooks transform the cafeteria into a restaurant each day. They serve all the hungry students worn out from the stress and strain of a hard day. Here they pause for a well deserved coffee break.
